## Research for Society

### DEVELOPING A COMMON R&D AGENDA AND ACTION PLAN

#### LONG-TERM STRATEGIES

-  for balanced circulation of knowledge;
-  for comprehensive mainstreaming of Open Science practices;
-  for involvement of citizens and public authorities in R&I.

#### GOOD PRACTICES

-  recommendations on successful models for cooperation with social partners;
-  activities for better uptake of research results;
-  balanced brain circulation.

#### GUIDING PRINCIPLES

-  utilizing interdisciplinary research methodologies to address coastal issues;
-  promoting equalitarian careers;
-  promoting research integrity and ethics.

## 2021

-  Data Management Plan
-  Common agreement on R&I data management

-  R&I Gender Equality Plan
-  Study on "Good practices on talent management, research and internalisation accelerators"

## 2022

-  R&I code of conduct for research integrity
-  Innovation Management Strategy
-  Roadmap to access innovation communities
-  Common Responsible Research and Innovation strategy within the network

-  Partnership agreement with SEA-EU Alliance
-  1<sup>st</sup> interdisciplinary conference "Sustainable development of maritime tourism"
-  A Study on the challenges of inter-campus EU-CONEXUS to implement actions required by HRS4R award
